Meeting Summary

Our guest speaker was Tony Dumont, of SafeQuest Solano, who spoke about human adult and minor youth sex trafficking and the difficulty of supporting the victims, especially those who are under the age of 18. Among the many disturbing aspects are that children enter into exploitive situations as young as 12-14 as girls and 11-13 as boys and that 1 of every 3 runaway teens are lured into sexual exploitation within 48 hours of running away.
