

Club Update

Soroptimist International of Rio Vista

April 19, 2017

Next Meeting – Thursday, April 20th

Our next meeting is Thursday, April 20th.

Human Trafficking Presentation

Our April 20 meeting features our Live Your Dream award winner, Cierra Padilla, who will speak on human trafficking. We encourage you to invite potential members as guests.

Welcome Mingo

We welcomed Mingo Greco to the club at our April 13 meeting. Mingo's sponsor is Lupe Finch. Check The Beacon for a photo and short caption.

Meeting Summary

The primary focus of the April 13 meeting was review of the 2017/2018 budget, led by Treasurer Pat Dyer. We all learned a lot about how our money is earned, managed and allocated and there was lots of spirited discussion. So spirited, in fact, we didn't finish! Pat's recent email reflects the changes made to the budget based the club review.

Look forward to finalizing the budget at our May 4 business meeting.

The club also voted to move \$1,500 of our recent earnings to the Education Committee for scholarships and to work the beer truck at Bass Derby. (We made \$1,800 last year at this event.) See the attached flyer about upcoming April 22nd Responsible Beverage Service (RBS) training.

USCG Station Rio Vista Change of Command

USCG Commander Jason Miller has been very active in the community. In his invitation to his June 23rd change of command ceremony, Jason wrote, "As I recently told the Rotary, I believe that my success here is due in large part to the involvement and help of the community. While I would like to invite the entire town that is not quite feasible, so the next best option is to invite the service clubs and organizations that I have had the most interaction with." Please use the link below to RSVP as the Lions are hosting a reception afterwards and need a (somewhat) accurate count for food. Click the following link to RSVP:

Academic Awards – May 3

Mark your calendar for the upcoming May 3 Academic Awards Ceremony. Sign up at meeting for a strong Soroptimist presence! Pictured at right are last year's scholarship winners.
