PUMPKIN PATCH BAKERS & HELPERS

This is the week for baking those cute treats. There's a work day at Debra Spinardi's house (215 Edgewater Dr.) TUES. & WED. about 10AM if you want some help. If baking at home, take all items to Deb's house Friday between 5 & 7PM
Questions: Sandra McKosker 374-2419 or Vickie Dolk 373-5588.

WHERE IS PUMPKIN PATCH?

If you are helping at this event – you will drive in the back way along Shiloh Rd. **Here's the direct route:**

Take Hwy 12 toward Fairfield for 6.6 miles to Olsen Rd. Turn left at Olsen Rd. then an immediate right on Little Honker Rd. Go 2.5 miles then left at Shiloh Rd. Go 2.5 miles and Pumpkin Patch will be on the left in a grove of eucalyptus trees. === If you are telling your friends how to get there: drive to the Railway Museum on Hwy. 12. then take a train ride through the fields. A delightful & fun trip!

COMMITTEE MEETINGS

What you missed last week, was a good work-day with our committee members. Planning to get it right.

THANKS TO ALL WHO RODE AND WALKED IN THE PARADE • TURKEY TROT LOOKED LIKE FUN!

HARRIET STONE – OUR NEW MEMBER!

After months of traveling, and cajoling by our membership chair, Harriet Stone was inducted last Thursday. Our newest member has been a dedicated volunteer and you may have seen her with gloves and clippers helping to keep the Main St. planters Trim & Tidy.
